

# MOUNTING BRACKET ASSEMBLY FOR CYLINDER/VALVE ASSY

## Specifications

**Part Number:** 4110-300

**Dimensions:**

Diameter: See Table

Height: See Table

Weight: See Table

**Description:** Stainless steel spot welded band with 1/4-28, Steel Alloy Cadmium Plated T-Bolt. Includes mounting hardware and nylon reinforced silicone rubber shim.

**Performance:**

Weld Strength: 1600 Lbs.

T-Bolt Strength: 3780 Lbs.

**Maintenance:** Service Life Indefinite.

Optional Knobs

4110-335

4110-336

| Part Number | A (Diameter) Nominal | B (Height) With Cylinder | C (Weight) | 4110-310 (Ref) |
|-------------|----------------------|--------------------------|------------|----------------|
| 4110-300-1  | 2.5 "                | 3.42" (Max)              | 5.4 OZ     | 4110-310-1     |
| 4110-300-2  | 3.5"                 | 4.42" (Max)              | 5.6 OZ     | 4110-310-2     |
| 4110-300-3  | 4.5"                 | 5.42" (Max)              | 5.8 OZ     | 4110-310-3     |
| 4110-300-4* | 5.38"                | 6.30" (Max)              | 6.1 OZ     | 4110-310-4     |
| 4110-300-5* | 7.00"                | 7.92" (Max)              | 6.4 OZ     | 4110-310-5     |
| 4110-300-6  | 7.25"                | 8.20" (Max)              | 6.6 OZ     | 4110-310-6     |
| 4110-300-7* | 7.66"                | 8.60" (Max)              | 6.7 OZ     | 4110-310-7     |
| 4110-300-8  | 9.25"                | 10.25" (Max)             | 7.2 OZ     | 4110-310-8     |

\* Listed Bracket Assemblies are PMA'd for installation in Cirrus SR-20 & SR-22 Aircraft.
