

## PMA OXYGEN CYLINDER

# AEROX PMA PRODUCTS OXYGEN CYLINDERS

### WHY PAY OEM PRICES FOR YOUR NEXT CYLINDERS?

Aerox PMA cylinders meet stringent FAA requirements and are manufactured by the same suppliers used by the oem. Same quality, same production line the only difference is our label and a lower price.

Our PMA cylinders are a direct replacement for avox, b/e aerospace and other manufactures. New PMA cylinders being added based on customers demand. Many of the aircraft covered by our pma supplements include Airbus, Hawker/ Beechcraft, Boeing, Bombardier, Cessna, Dassault, Embraer, Gulfstream, Mcdonald Douglas, Mooney and many others.

Refer to aerox FAA PMA approval pq10006ne for aircraft applicability

Originators of High Duration Oxygen Systems

**OEM TO AEROX CROSS REFERENCE**

OEM Part Number	Approved Aerox Part Number	Cylinder Size Cubic Feet	Cylinder Type
